Hi all and welcome! This is a new venture for us with a double header hosted by Torridge & District Motor Club and West of England Motor Club Ltd. We have run sidecars at Lower Wembworthy Farm for an Inter Centre event previously, though the year escapes me.

We were certain that nothing would stop us running these events after the cancellation of the first rounds, we need to keep this Championship going! And so alternative venue arrangements were made to accommodate the wet weather.

I hope you enjoy the two days we have planned for you. Many thanks to our landowners, observers, committee members and series sponsor TRS UK for their support this weekend.

Yours in sport,

Andy Cheeseman - Clerk of the Course
